Tire Guarantees

LEE TIRES are guaranteed—for a specially advertised limited time—guaranteed to give you satisfactory service.

Analyze the specific mileage guarantee. It is nothing more nor less than a bond for adjustment.

You want mileage—service—not adjustments.

The Lee Tire guarantee is backed by the strength of the Company making the Tires and can determine that every Lee Tire shall serve you. We believe that our makes good is a Lee Tire because Lee Tires do that for themselves. But should the time come when you, for any reason, feel you are not getting the satisfaction you have a right to expect from every Lee Tire we are right here, every day in the year, to protect the interests of all concerned—yours, ours.

GRAIN SAMPLING

DEVICE IS MADE

Announced in United States Way Male and the World Without Payment of Royalty.

QUITE EASILY CONSTRUCTED

Devices for Rapid, Accurate, and Economical Sampling of Grain of Any Kind

A device with which a sample of grain can be taken in less than one minute will be on display at the Institute of Agriculture in the next few days. The device, developed by the board of agriculturists of the United States, is said to be the only one of its kind in the world.

DEEP PULVERIZING OF SOIL

Party Will Hold Tires of Soil by Its Use

Five garnet wheels in the regular manner to be placed in the soil, are to be used to pulverize the soil. This will make it easier for the plants to grow and will prevent the soil from becoming hard. The pulverized soil will also be easier to work with.

Protest in Punished Bulls

The recent protest in Punished Bulls has raised concerns about animal welfare and the treatment of livestock. The protest was organized by animal rights activists who are concerned about the conditions in which these animals are kept. The protesters are calling for better treatment of animals and for the government to enact stricter regulations to protect animal welfare.

A Fine Type of Finish

The recent revival of interest in antique furniture has led to a surge in the demand for fine finishes. This trend is likely to continue, as more people are interested in restoring and preserving their antiques. If you are interested in antique furniture, be sure to check out the latest finishes and techniques available.

The Trend That Hurts

The recent trend in the stock market has been downwards, causing concern among investors. The downturn is likely to continue, as the global economy faces challenges. It is important for investors to stay informed about the latest trends and to make informed decisions about their investments.
