In Cherry Time

By JESSIE J. LERNER

When the Abbeville newspaper came out the other day with the announcement that the Cherry Time festival would be held, Miss Laverne G. Shaw was the first to volunteer to serve as chairman of the Cherry Time committee. This means that she will have the job of organizing and promoting the festival, which is scheduled to take place next month. Miss Shaw is a local resident and has been involved in many community activities, so she is well-suited for the task. The festival is expected to attract many visitors to the town, and Miss Shaw is confident that it will be a success.

“Thine is the Glory”

By HARRY J. JONES

This painting, which hangs in the local art museum, depicts a group of children playing in a park. The scene is filled with joy and playfulness, with the children running and laughing. The artist has done an excellent job of capturing the essence of childhood innocence and carefree spirit. The painting is a favorite of the museum visitors, who often stop to admire it and take photos in front of it.
