SEVEN SPRINGS.

The public school at Seven Springs, Miss. H. B. Porterfield, had its third annual program of entertainments. This was due to the initiative of the school that has been taught at this school. Parents and pupils cooperated with the teachers which made the event a success. Parents of the district were present to cheer the efforts of the pupils and to show their appreciation of the efforts of the pupils in the school. The program included solos, recitations, orthography and other school work. The program was presented by the school children under the direction of Mr. Porterfield.

- The program started out with a song by the school children who sang "The Star-Spangled Banner." The program included a play by the children who were dressed in their Sunday best. The play was "The Hero of the Hour." The play was well received by the audience.

- The program concluded with a song by the school children who sang "America." The program was well received by the audience.

THE STRANGE GIRL.

An old friend, the same girl who has been the subject of so much talk, has been seen around town. She was last seen walking down the street with a man who had never been seen with her before. The girl is being watched by the local authorities who are keeping a close eye on her movements. The girl is reported to be a very quiet and reserved person.
