Join the "Invisible" Guest Club

Have you a hospitable home? Do you entertain your friends? What does it cost you? Time, entertainment? Well, you are not alone. Many of America's most successful men are now members of the "Invisible" Guest Club of America. It costs you only Ten Dollars.

There are 3,500,000 underprivileged and orphaned children in Eastern and Central Europe who are now being protected by American generosity and hospitality.

A Certificate of Membership in the "Invisible" Guest Club of America will be sent to you, signed by Herbert Hoover and Franklin K. Lane, National Chairman and Purchaser, also signed by the Star Chairman of Kentucky.

If you will send your check for Ten Dollars, or more, to the European Relief Council, Richard Bean, Treasurer, Board of Trade Building, Louisville, Kentucky, or deposit this amount to his credit in any bank in Kentucky, you will receive an "Invisible" Guest Certificate by return mail.

Will you not join this "Invisible" Guest Club today?

The General Trend of Prices is Downward

but some articles of merchandise have not yet been affected.

Great reductions have been made in most of our line, we have received this decline with great peace and are offering our customers Scandinavian articles that are in keeping with prices they are receiving for their free trade, without extra, and, to a considerable extent.

When we have a decline in any article in our store our customers will receive full benefit of this decline. Isn't that fair enough?

We offer you field in decline at prices from 50 to 200% lower than last year. Bed Top, Bed Cover, Timothy, Orchard Grass and Rice, from 50 to 90%.

Value Barn Chilled Fences and Repairs at 25% decline. Seventeen Tons Blue Steel Plate at the same discount.

End Spot Pasture—the kind that lasts—at a big reduction in price. In fact nearly everything in our line has moved downward in price. Remember that we guarantee both quality and price of our merchandise.
