No. 48

LETTER FROM CHAS. T. RILEY

Explains His Views on the Commission Form of Government

Having served several years as Magistrate from one of the rural districts of Crittenden County I feel that I have had occasion to hear and see what is going on in the management of the financial affairs of the county. I am not a candidate for reelection to the office of Magistrate and I am not saying this for political purposes but in order that the people of this county may know just the condition of affairs. I have known and all the other magistrates have known and know now that certain financial elements and institutions are always trying to get their hands on the finances of the county, not for the interest of the public but for what it might bring them or their institution in dollars and cents.

The eight magistrates, representing the people, have handled this situation as best we could. We were men who wanted to do the right thing by every body and since we have not seen fit to favor any one man, or set of men, banking institution or corporation and let them take charge of the Fiscal affairs of the county, they have seen wise to propose a Commission Form of County Government.

This form of Government simply means that the financial affairs of the County, if voted, will be handled by three men, who might all be selected from the town of Marion, who would be paid a salary far more than what is now paid to all eight of the magistrates, and in the event they think they are not paid enough they may go to the Circuit Court and get a raise.

It is true that the Fiscal court has been unable to grant every request of the eight magisterial districts but I do know that each magisterial district has had some consideration through their magistrates that they would not get if we vote this Commission Form of Government on the 10th day of May, and I see a card or article in the Press from Judge Henderson on this question. Now it may be true that Judge Henderson, by what he wrote, did not intend to influence the voters of this county by writing this, but knowing as a magistrate past experience with the institution of which Judge Henderson is an officer, and in as much as the Cashier of that same institution filed the petition calling for the vote on this question, I want the voters to know the whole thing. Judge Henderson says in his article that if we have the commissioners we would have no magistrates. Now I am no lawyer but I have got a copy of the Constitution of the State of Kentucky and like Judge Henderson, I did take an oath to support and defend that constitution, and it says in section 99 and 142 that we shall have magistrates and elect them every four years. These provisions of the Constitution give to the people of the country communities a chance to have a voice in their county affairs and how their money is to be spent and I am against any proposition that takes away from the people any of these rights that the Constitution gives them.

Now as I said in the start, I am not a candidate for magistrate but I am a candidate for Jailer of Crittenden County and on the Republican ticket but I am not afraid to say the truth when I know it and it is my honest belief that this proposition to vote a Commission Form of Government on this County is just a scheme to take away from the people of the country communities the representation which the Constitution of Kentucky gives them.

CHAS. T. RILEY ESQ.

James Henry, age 19, son of J. S. Henry of this city, entered the College of Engineering at University of Kentucky in the fall of 1920. He is a graduate of the Marion High School. While in High School Mr. Henry was quite an athlete. He was captain of the High School eleven during his Senior year.

APRIL 14 A GALA DAY FOR MARION

Much has been said about the eagerness with which children look forward to the coming of Circus Day. And Circus Day is a great day in the life of the child—and on that particular day most of us are children. In days past, Marion has had a number of Circus Days but on April 14th Marion is going to have an event even greater than any circus from a standpoint of good wholesome entertainment and jolly merrymaking. April 14th is the day which has been set apart as "Street Fair Day" in Marion and an entertainment of unusual magnitude has been prepared for the occasion. Cochran's Main Street Garage has been solicited, promised and secured as the central place of the event and a big time is promised in every feature of the entertainment. There will be a big parade featuring the principal characters found in the city. There will be booths galore for all kinds of good eatables. Then too there will be side-shows of various hues and dimensions, including a continuous vaudeville, concert, a Japanese Tea Room, and a graphic portrayal of Darkest Africa.

The baby show will be something that you will want to see and fortune tellers will be multitudinous. There will be balloons for everybody. If you want to spend an evening of enjoyment just make your arrangements to attend the Street Fair.

Given by the ladies of the School Improvement Club for the School Improvement Fund.

DISTRICT SUNDAY SCHOOL MEETING

The District Sunday School Meeting will meet at Sugar Grove Saturday night, April 9th to plan for visitation day and other things pertaining to the interest of the cause. All churches and Sunday Schools are asked to send Delegates, at least two or three.

This District includes all churches and Sunday Schools on this side of the railroad. Please come and help make this the best year in Sunday School work.

Yours for better Sunday Schools.
WILLIS DOLLINS, President
E. F. DEAN, County President.

EYE TALKS

Susie E. Gilchrist, Oph. D.

Nervous energy is life itself and every organ to function properly, requires a certain amount of nervous energy every day. This, they receive by way of the nerves which penetrate every part of the body except the hair and nails. The brain is the storage battery for surplus energy, were it not for this wise provision any excess demand would result in exhaustion or death. There are twelve pairs of cranial nerves and four and one third pair, or 36 percent of them go to the eyes alone. There are 31 pairs of spinal nerves which makes a total of 43 pairs in all. Of this the eyes receive 10 percent if they are normal, but defective eyes often require much more, and as we use our eyes every minute of our waking hours, we are reducing our nerve supply and when it begins to run low the other organs of the body do not receive their quota, therefore they cannot function properly.

We want you to come to Marion next Monday County Court day.

The Merchants of Marion will make it worth your time if you want to buy anything that is sold in Marion.

As a special inducement to get the people of Crittenden County to "Buy what they buy in Marion" most of the merchants have agreed to give three percent off for cash for all goods sold next Monday.

There will be a Band Concert in the Court House Yard at eleven thirty Monday morning.

Tell your friends that next Monday is going to be the biggest County Court Day Marion has ever had.

MEET YOUR FRIENDS IN MARION NEXT MONDAY

WADDELL FOR COUNTY JUDGE

Mr. L. E. Waddell of Union formally announces his candidacy for the office of County Judge in this issue of the Press.

Mr. Waddell is a farmer and has been Magistrate for some time. He is well and favorably known over the county and has taught in the Public Schools of Crittenden for several years.

Mr. Waddell reluctantly announced, but his many friends insisted so strongly that he could not deny them. No doubt Mr. Waddell would make a safe and painstaking official.

CITY COUNCIL MEETING

The City Council met Tuesday night. An ordinance was passed to have the streets oiled. Contract will be let to the best bidder and the streets will be oiled where a majority of the property owners petition for it, each property owner is to pay a proportional cost for the oiling. Councilman R. F. Haynes resigned his position on the Council.

As the readers have perhaps already noticed, Mr. Albert Agree has announced for Jailer subject to the action of the Republican primary of August 6. Mr. Agree has been a farmer all his life and has been a successful one. His many friends are supporting him and if elected he will no doubt make an efficient official.

ANNOUNCES FOR COUNTY JUDGE

The Press this week carries the announcement of J. W. Flynn as a candidate for County Judge in the Republican Primary. He is an active member of the Farm Bureau and is now engaged in farming. Judge Flynn as he is familiarly known to his friends served as Police Judge of the city of Marion and his qualifications are such that we feel that if he is elected he will make the county a good official.

SCHOOL IMPROVEMENT CLUB

The School Improvement Club held its regular meeting in the school auditorium Friday afternoon. Dr. Bell, of Trenton Ky., who is conducting a series of meetings at the Christian Church, gave an interesting talk on Man and His Improvement. After Dr. Bell's address the club voted resolutions of respect for Mrs. O. T. Lowery, who was a member of the club.

Several new members were taken in which makes a total of ninety-five. A report of the Treasurer showed \$320.89, which shows that the Club is awake and on duty.

It was decided that the Auditorium would be the next room to improve and a committee was appointed to look after it and see if it could be completed before Commencement.

The meeting adjourned until the first Friday in May.

SUNDAY SERVICES AT FIRST BAPTIST CHURCH

The pastor, Dr. W. P. Meroney, will preach next Sunday morning and evening. The morning sermon will be a special message to Masons, to which all Masons are specially invited. The evening subject will be "A Heart Searching Question."

Sunday School meets at 9:30 a. m. The twenty-four classes in the school provides for every age. If you do not attend elsewhere, you are invited to meet with us.

All always welcome.

FARM BUREAU NEWS

On Friday evening April 1st about 30 farmers of New Salem community met at the school with the County Agent, John R. Spencer. He outlined the plans of his work for the coming year and asked their cooperation. After some discussion a Community Club was organized with the following officers: President Ed Waddell; Vice President Chas LaRue; Secretary, Mr. Harpending.

The program for the April 14th meeting follows.

Should Dairying be adopted by New Salem Community, W. L. Taylor, J. L. Larue and T. L. Waddell. Preparation of Seed Bed for Planting Corn, Charles Belver, Mr. Moran, Chas. LaRue.

Reclaiming Worn Out Land: Sam Watson, Reid Clark, H. Hicks. Feeding and Care of Baby Chicks: Mrs. Terry, Mrs. LaRue, Mrs. McCune, Mrs. W. S. Lowery. Hardened Boys Band. Talk by the County Agent.

Monday evening April 4th Mr. G. M. Gumbert and the County Agent held a meeting at the Caldwell Spring School with 25 interested farmers in attendance. Mr. Spencer and Mr. Gumbert made talks along better methods of farming in Crittenden county and discussed the great need of organization among the farmers. After some little discussion a Community Club was organized with the following officers: President Ed. Young; Vice President, Ray Linzy; Secretary, Bernard Patton.

The April 20th Program follows: Feeding and care of Baby Chicks and Turkeys: Mrs. Anna Parish, Mrs. Mays, Bess Oliver, Willie Daughtrey.

Potato Growing: Henry Shadowen, Joe Robinson, Sam Travis. Planting and Cultivation of Corn: Elmer Parish, A. J. Linzy, Homer Peak, S. Y. Hooks.

Music: Orchards: Clarence Daughtrey, J. H. Shadowen, Will Fletcher.

Have you tested your seed corn yet this year? Don't fail to do so.

You Tolu farmers is your boy in the Bank Pig Club? Full details at the Bank.

This coming week the farmers of the county will be asked to join the greatest farmers' organization in existence. When the canvasser comes to see you make up your mind you will join and become a booster in better farming in your community. Don't hang back and wait to see what the Farm Bureau is going to do. If everybody does that the Farm Bureau will never get anywhere. The Crittenden County Farm Bureau needs you and there is no doubt but what you farmers need an organization to represent you.

Drop into the Farm Bureau office when in town County Court Day. The County Agent will be there and he wants to make your acquaintance.

Jas. Daughtrey was in Marion Saturday.

PROCLAMATION

To Every Expatriate From Kentucky In All The World

At "Federal Hill" a homestead and estate near Bordtown, Kentucky, Stephen C. Foster wrote and composed that most loved and famous of all American songs, "My Old Kentucky Home, Goodnight." The homestead and surroundings still remain essentially as they were in that summer time of 1852 when "The corn-tops were ripe and the meadows were in bloom," and as they were in 1795 when the mansion was built.

The place is under option to be purchased by popular subscription in Kentucky to be converted into a historic shrine to perpetuate the glory of the song, the memory of the great American composer and the universal desire to honor its consecrated associations. It is to be maintained and protected when acquired under the authority and control of the State.

Now, therefore, I, Edwin P. Morrow, Governor of the Commonwealth, do make and send this proclamation, with greetings: To all fond expatriates from the Kentucky soil that gave them birth; to the children of such as have passed on and left the heritage of pride in their origin; to those who have listened to that song of home under the shadow of other hills, in the sunlight of other plains or beneath the quiet stars of alien skies, and have felt the thrill of its deathless beauty and pathos.

You also are privileged and invited to join with the sons and daughters of Kentucky in a contribution to this fund which shall be used alone to preserve the home of the song that is your song and our song. You have stood with uncovered head and tear-dimmed eyes as the old song tugged at your heart strings. Let it tug now at your pursestrings. It has been suggested that even strangers to Kentucky, who love Foster's melodies, might care to contribute to this fund. Send such subscriptions as your mind and heart dictate to

Hon. A. T. Hert, treasurer, Louisville, Kentucky. All will be acknowledged. An album containing the names of all subscribers will be deposited in the Old Kentucky Home. Given under my hand as Governor of the Commonwealth, this second day of April, 1921.

EDWIN P. MORROW,
Governor of Kentucky.

FISCAL COURT

Fiscal Court met Tuesday and Wednesday of this week. Judge R. L. Moore and all the Magistrates were present. Considerable business was transacted.

Several claims were granted. \$500 was allowed for the Belleville Bend road on the condition that the citizens along that road raise as much as one third of that amount in either work or money.

A contract was let to Mr. E. Champion for the upkeep of the Salem road to the Livingston line. He is to be allowed \$2,000 per year. Mr. Champion is a good road builder and the court was wise in giving him the contract.

Miss Leaffa Wilborn was unanimously re-elected County Treasurer for another term of four years with a salary of \$300 per year. Miss Leaffa has made a most excellent officer in the past and no doubt the voters will all be glad of her reelection.

NOTICE

All persons holding County Claims payable out of 1920 levy, bearing date from September 7, 1920 to October 5, 1920, will present same for payment on or before April 9, 1921, as interest will cease to accrue after April 9, 1921; and all persons holding claims payable out of 1920 levy and prior levies will present same for payment. LEAFFA WILBORN County Treasurer.

Mrs. Hicks Relieved By Four Eatonic

"I have taken four Eatonic tablets and they relieved me of sour stomach. I recommend it to everybody," says Mrs. G. P. Hicks.

If stomach is not digesting your food; if you have sourness, bloating, food repeating, indigestion or acid stomach, Eatonic will remove the cause by taking up and carrying out the acid and gases, bringing quick relief and healthy digestion. Why suffer stomach trouble? Why not keep your digestion normal and enjoy good health? An Eatonic taken after each meal will prevent discomfort and pain.

Make the test today and see how quickly this wonderful remedy acts. It comes in handy tablet form. Carry it with you. A big box costs only a little more than your druggist's guarantee.

Every gallon of Hanna's Green Seal Paint contains 300 Sq. Feet, (two coats), of paint protection and beauty. In some cases it's a good deal more than 300 ft., according to the surface to be painted.

And if properly applied, Green Seal covers this surface without laps or brush marks showing. It supplies a smooth, evenly-spread film which weather cannot break through. Thus Green-Seal does the double duty of beautifying and arresting decay. It gives both good wear and good looks. It's the time-tried brand.

Formula on every package.

MEMORIAL

Mrs. Nannie Ellen Loyd was born on a farm about five miles south-east of Marion, December 27th 1869, where she lived with her parents. Mr. and Mrs. James Bradley and experienced the things in common to girlhood days in a virtuous and happy home.

She was married to Mr. J. Frank Loyd of Crittenden County in January 1887, and to this union was born six children, four of whom are living; Mrs. Ora Taylor, Lafa, Charley and Marie.

Mrs. Loyd professed faith in Christ at the age of fifteen years and united and was baptized into the fellowship of Piney Creek Baptist church, but later moved her membership to the First Baptist church of Marion Ky., where she retained her membership until death. When she left the Church militant to join the Church triumphant.

Her afflictions were brought about by having an ulcerated tooth extracted while on a farm in Western Kansas about twelve years ago, making it necessary for a mastoid operation to be performed.

With the hope of benefiting her health her husband sold his farm in Kansas and bought property and moved to Lincoln Neb., but she gradually grew worse in health and became anxious to come home and visit her folks, according to which desire her husband again sold his property and brought her home to be with her folks during her afflictions.

However her husband was soon called to Washington, D. C., by the late Senator O. M. James and given a lucrative position, and she having recuperated in health sufficiently joined her husband and children in Washington, where she underwent several operations performed on the head, suffering untold agonies many times, until she finally went down in the last stages of diabetes more than two years ago and for twenty weeks she had not been able to turn herself in bed.

Some four months ago she seemed to become unconscious of her surroundings and when asked if she wanted to come to Kentucky to see her people she said: "I want to stay with my husband and children," but when told that he was going to bring them all to Kentucky with her she laughed and said: "Yes I want to go."

One day when her husband was sitting on the side of her bed trying to administer to her needs, she caught him around the neck and drew his head to hers and said: "Dear, do you love me?" and he said: "Yes don't you love me?" She said "Yes I do" and kissed him and turned her face to heaven and rejoiced for that love that binds heart to heart in this life.

About five weeks before her death she with her husband and children came to Kentucky, where she was in the home of her sister, Mrs. Lizzie Wilson, where she patiently suffered the remainder of her life amid her relatives and friends, who ministered to needs in every possible way.

She was often seen with her smiling face turned heavenward and her feeble hands clapping for joy at the prospect of a heavenly home beyond this suffering.

She died March 25, 1921, Jesus having said, "It is enough, come up higher."

She died as she had lived, with her confidence in the Atoning merits of the blood of Jesus Christ which cleanses from all sin, and gives a right to the tree of Life.

To the sorrowing husband and children, other relatives and friends we would say: step up to the mirror (God's Word) and get a glimpse of the things of the beautiful City of God, where wife and mother now dwells, and where the streets are paved with pure gold, the mansions prepared by the Son of God, who shall light the City with his own presence, and where nothing shall enter that shall cause sorrow or suffering.

Then let us strive to enter there and be forever with our Lord and all the loved ones who have gone on before and who shall follow after. So may it be. A FRIEND

Rev. Robert Lear came home Tuesday.

Mrs. Frank Kilway of Clay spent Saturday and Sunday in this city the Sunday and tendered his resignation and returned to Louisville.

WINS FROM PRINCETON

Marion High School has always had a reputation for good speakers and in days past wherever the Blue and White the colors of Marion High, have gone, they have, with very few exceptions, brought the prize back to Marion. The Press last week announced the fact that the debating team of Marion High were to meet with the Princeton Team last Friday night, April 1. The Press predicted that it would be a battle royal, and if reports are true, a battle it was.

Friday afternoon the Marion High School debating team consisting of Watts Franklin, Billy Eskew and Otis Wheeler, together with a handful of school supporters, without the flare of trumpets or the sound of drums quietly slipped away from Marion to do honor to Marion High. Princeton had exerted every effort to make the affair a success from the standpoint of entertainment and in every other way which would add to the comfort and pleasure of their visitors from Marion. Those who went from Marion are loud in their praises of Princeton hospitality.

The debate was held in the Auditorium of the Princeton High School. From the time when Watts Franklin for the affirmative, opened up the discussion in his easy, rapid fire way until Otis Wheeler closed the argument with his rebuttal in a way which made every Marion supporter proud of him, it was a battle after "the manner of ye good old days."

When the decision was announced in favor of Marion the victory was appreciated all the more because of the difficulty of the task.

Here is Marion High and fifteen "rubs" for Eskew, Wheeler and Franklin, the boys who have added another laurel to Marion High's crown of victories.

A GOOD FRIEND

A good friend stands by you when in need. Marion people tell how Doan's Kidney Pills have stood the test. Mrs. Sue E. Glenn of W. Belleville St. Marion endorsed Doan's four years ago and again confirms the story. Could you ask for more convincing testimony?

"A few years ago I was suffering with kidney complaint," says Mrs. Glenn. "My back was constantly weak and lame and ached dreadfully from the small of it. My kidneys caused a great deal of annoyance. I used Doan's Kidney Pills which I got at Haynes & Taylor's Drug Store and they cured the complaint." (Statement given October 17, 1916)

On December 22, 1920, Mrs. Glenn said: "As the years go by my faith in Doan's Kidney Pills grows stronger. The cure I got from Doan's has been permanent. I gladly give them my hearty endorsement."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Glenn had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (advertisement)

George Phillips of Berry's Ferry is visiting relatives here.

Edd N. Cook and family took dinner at J. T. Vaughn's Sunday.

Mr. and Mrs. B. Herrin of Oak Hall attended church at Hebron Sunday.

T. H. Carter and family spent Sunday at C. B. Springs'.

John Barger and family spent Saturday with Al Easley of near Tolu.

Miss Willie Turner is visiting her brother Trice at Rosetare.

Sunday School was organized at Hebron with the following officers: Capt. H. O. Franklin; Secy, Alvin Vaughn.

W. T. Terry of Forest Grove attended church at Hebron Sunday.

The House of Quality

Marion, Ky.

GARRAGE AT CAMP ZACHARY TAYLOR

One of the many buildings at the Cantonment which will be torn down in order that the lumber and other materials used in construction may be utilized elsewhere.

In the sale of Camp Zachary Taylor, at auction, beginning Monday, April 23, the cost of building material will be reduced in such drastic manner that the many who have for several years past been living in uncomfortable and crowded conditions, because of the shortage of homes, will be enabled to procure, at their own price, all material necessary for building.

Many million feet of kiln-dried lumber was selected for the construction of this Cantonment, and it was subjected to the most rigid inspection. Having been exposed to the weather for only a short time, it is practically as good as new, and for rough construction work and outdoor purposes on the farm or in the building of a home, it will answer every purpose that lumber fresh from the mill does, and will doubtless sell for considerably less money.

The same is true regarding the plumbing and heating equipment that was used at the camp. This will be sold in small lots so that the small buyer will be in as good a position to take advantage of these bargains as the large buyer who is able to buy several carloads.

The 2,000 buildings will be offered one at a time, and the successful bidder will have the privilege of buying one or more of the particular type of building upon which he made his bid.

Many of the buildings will require but the addition of a porch and a rearrangement of the inside partitions to make them comfortable homes, while

if one wishes to go to the further expense of applying steel lath on the sides and putting stucco on the lath, an artistic, thoroughly modern home could be had for a mere fraction of what it would cost were it not possible to secure this Government property at one's own price, at auction.

The sale will begin on Monday, April 23, and continue until all of the 2,000 buildings and 2,000 acres of land are disposed of. Needless to say, this will be an absolute sale, and the Government will reserve nothing, but will dispose of it all to the highest bidder.

There are many stables, crosscut water troughs and crosscut fence post that should particularly appeal to the farmer, who can purchase them at his own figures.

The putting of this mammoth Cantonment on the market for sale at auction will do much to lower the cost of building. The original cost of buildings and land comprising the Cantonment was \$10,000,000. It will be sold for just what it will bring at auction. A sale of this magnitude has never before been held in Kentucky, and it offers an unparalleled opportunity to those desiring to purchase building material of every description.

The taxpayers who furnished the money to build Camp Zachary Taylor will have an opportunity here to profit by the sale of the land and building material, which will be sold at auction by the Louisville Real Estate and Development Company, of Louisville, who will serve as sales agents for the War Department.

BAPTISTS REPORT GAIN IN NUMBERS

IN LAST 14 YEARS THEY HAVE
ADDED OVER MILLION MEM-
BERS IN SOUTH.

WILL MEET IN CHATTANOOGA

Many Matters Related to Future Work
Will Come Up for Consideration
at the Annual Convention
May 12 to 18.

DR. E. Y. MULLINS

President Southern Baptist Theological Seminary, Who is Touring South.

Following the close of the second year of the Baptist 75 Million Campaign April 20, several thousand messengers from the local churches are expected to assemble at Chattanooga, Tenn., for the seventy-sixth annual session of the Southern Baptist Convention. The Convention met in Chattanooga last in May, 1906, and during the interim there has been a marked growth in every department of the Convention's activities and in the numbers and work of the local churches as well. The total number of Baptists reported to the Convention in 1906 was 1,855,781, while last May, fourteen years later, when the body met in Washington, the total membership of the local churches as reported was 2,961,348, or a gain of 1,105,567. The returns for this year are not yet available, but inasmuch as it is known there were practically 175,000 additions to the local churches last year by baptism alone, there is every reason to believe the showing for 1921 will be even larger.

Growth Shown in All Lines.
At the same time there has been a marked increase in the membership of the churches, there has been a distinct advance in all departments of local and denominational work. It is set out. The total number of local churches has grown from 26,129 in 1906 to 25,303 in 1920; the total number of Sunday Schools from 11,332 to 17,686; and the number of Sunday School pupils from 857,244 to 1,835,936, an increase of more than 100 per cent. The value of local church property has mounted from \$4,501,122 in 1906 to \$74,273,728 in 1920, an increase of more than 1600 per cent, while contributions to missions and benevolences in 1906 were \$1,501,536.67, as compared to \$7,331,266.55 in 1920, an advance of practically 500 per cent. Fourteen years ago the contributions to all purposes in a year were \$5,941,283.44, as against \$21,327,446.67 for 1920.

Next Meeting Important.
The approaching session of the Convention is regarded as vitally important to the future of the denomination's work. It is hoped that by the Convention two-fifths of all subscriptions to the 75 Million Campaign will have been paid in cash and that the program for the completion of the remainder of the campaign task can be formulated at this time. Dr. J. B. Gambrell, president of the Convention, and Dr. E. Y. Mullins, who recently completed a tour of Europe, where they carried fraternal greetings to the Baptists of that continent, will give their impressions of Baptist opportunity in that country, while Dr. George W. Trust and Dr. J. F. Love, who represented the Foreign Mission Board at the London Conference last summer when the mission fields of Europe were considered, will tell of the new territory of Spain, Yugoslavia, Hungary, Roumania and Southern Russia, which Southern Baptists are asked to occupy. This territory is as large as the Southern States and has a population of 128,000,000.

All the boards of the Convention will report the largest year's accomplishments in their history, the Home Mission Board being scheduled to report the completion of its million dollar loan fund for church building, in addition to the adding of a thousand churches during the year with gifts and loans for the erection of new houses of worship. The Sunday School Board will report more than \$1,500,000 in sales for the year and with collections as well as sales better than at any previous time in its history.

What the American Farm Bureau has accomplished

Every farmer in Kentucky who is a member of his County Farm Bureau is also a member of the Kentucky Farm Bureau Federation, and the American Farm Bureau Federation.

The following is what his money helped to accomplish:

Passed the repeal of the Daylight Saving Law
Put back the Anti-Strike clause in the Railroad Bill after it had been removed by Congress

After Congress had stricken out an appropriation of one and one half million dollars from the Agricultural Extension work, it caused this item to be replaced in the Bill with an additional half million dollars added for good measure, making a total of two million dollars additional.

Placed several plans in the Republican and Democratic platforms that are of great importance to all farmers

Started plans for a gigantic grain marketing scheme that will eventually stabilize all grain markets and save farmers from five to ten million dollars annually in commissions

Has assisted in organizing Farm Bureaus in five additional states, making a total of thirty-three States now organized with a total membership of about 1,200,000

Has assisted in organizing Farm Bureaus in fifteen counties in Kentucky, namely Bourbon, Boyd, Breckenridge, Barren, Carroll, Carlisle, Crittenden, Caldwell, Hickman, LaRue, Lawrence, Marion, Nelson, Oldham and Trimble, making a total of forty-seven counties now organized

Passed the Farm Bureau Incorporation Law through the Kentucky Legislature after it had been smothered in committee

Passed the Limestone Rate Bill giving a low freight rate on limestone for agricultural purposes

Advanced the Volstead-Capper Co-operative Marketing Bill from number 1500 on the Congressional calendar to within 3 of the top of the list, and later got the Bill passed in the House of Representatives after it had remained in Committee for months and by inaction had threatened the existence of every farmer's co-operative organization in the nation

Defeated the Nolan Bill which would have added one billion dollars annually to the taxes of farmers

Obtained an appropriation of one half million dollars to eradicate the European corn borer

Arranged for long time credits for farmers through the Federal Reserve Banks at a time when financial affairs were strained

Assisted the sugar beet farmers in the West to get satisfactory contracts from sugar factory concerns for increasing the beet area in the West by 12,000 acres for the season and saved over a million dollars to the growers

Arranged for loan through the Federal Reserve Banks, on wool held by farmers in pools

Assisted County Farm Bureaus in pooling 600,000 pounds of wool in Kentucky

Has obtained the co-operation of county, city and agricultural papers in giving the proper kind of publicity to agricultural affairs and in presenting the problems of the farmers to the people of the state from the correct viewpoint

Has given Mr. George Colvin, State Superintendent of Public Instruction, the backing of an effective organization to assist him in his ambitions to give to children born in the country educational facilities that are the equal of those now being given to children born in towns

Has given to Mr. W. C. Hanna, Commissioner of Agriculture, the support of organized farmers to help him in his plans for the development of agriculture in the state

After three calves in Trimble county had lost 20 pounds in 20 minutes it showed how to put back those pounds in one minute

Enabled the Kentucky Farm Bureau Federation to arrange for quotations of wheat in the Louisville papers to be made by the Louisville Board of Trade instead of by one firm of millers, thus raising the price of wheat at least 15 cents per bushel without raising the price of flour

Further information regarding any of the above statements can be obtained at Farm Bureau headquarters in your county. Every member who is satisfied that his money has been well spent is urged to see his neighbors promptly and persuade them to join their County Farm Bureau, so that by their aid the work of the Bureaus may be extended until the business of farming has been made as pleasant and profitable as any other business.
