CAMP ZACHARY TAYLOR AT ABSOLUTE AUCTION

Beginning Monday, April 25, 1921, at 10 a.m.

And continuing day by day until all land, buildings and equipment have been sold. The properties to be disposed of at this sale, represent an outlay on the part of the Government of

Ten Millions of Dollars

All of which will be sold, in units, to suit purchasers at The Greatest Auction Sale in History

This Army Camp comprises 2,000 acres of valuable land, adjoining the city of Louisville, together with 2,000 buildings of various sizes, and a vast amount of equipment, such as boilers, plumbers' supplies, stoves, hot water heaters, radiators, electrical equipment, motors, heating and refrigerating plants, etc.

THE BUILDING PROBLEM

For years building has been a practical standard. The high cost of material, especially lumber, and the scarcity of labor have compelled a change in the erection of houses, storehouses, barns, etc. Thence has now been placed on the market a material which will make the building of homes, that is, a light, strong, fireproof, and quickly erected, a practical fact. The Army Camp and Camp Zachary Taylor will receive money and equipment to the value of several million dollars, will be disposed of at this sale and at such prices as builders see fit to pay. Come to this great auction sale and buy what you want at your own figures. Join with your neighbors, with your partners, and take home this material. It is a most useful material for the erection of homes, storehouses, barns, etc.

For catalog giving full details as to material, land, etc., not given in this announcement, address

Fertilizer Going at the
Lowest Prices

The rack for fertilizer is so. We have 11% Acid Phosphate at $15.90 per ton; 14% Acid Phosphate at $21.00 per ton.

The season is also on for Old Stone, Corn Planters, Rake and Walking Cultivators, Disc Harrows and several farming tools, Dealer Barrows and in-tendible Horses.

This is the time of year that the cream makers part pay right as we have the Cream Separator that pays all the Cream.

As to price on what we have in stock that makes part pay right as we keep up with the declining market.
