CORNERSTONE LAID FOR M. E. CHURCH

Barbecue and Celebration Marks Beginning of Building Operations At Tolu Monday

The Cornerstone of the Tolu Methodist Church was laid Monday, July 4th in the presence of the largest crowd that ever assembled in Tolu. The ceremony was under the auspices of Hurricane Lodge No. 571 F. & A. M. with Dr. Arthur Mather acting as Grand Master of the Grand Lodge of Kentucky.

The program for the day was started by a concert by the Marion and Tolu orchestras, followed by the Marion Methodist Male Quartet. The concert was followed by a number of speeches by some of the most prominent men of the country. T. C. Bennett acted as Chairman. Addresses were made by Dr. A. Mather, Rev. L. W. Turner, Hon. C. S. Nunn, W. D. Cannon and Hon. J. W. Blue Jr. Miss Mary Elizabeth Bennett, daughter of T. C. Bennett, recited the Declaration of Independence. Immediately after the speeches came one of the most enjoyable features of the day, the barbecue dinner. There was an abundance of meat which was cooked in true barbecue style. Hogs, cattle and sheep were prepared for the feast and then there were salads, pickles, breads pie and lemonade. It was estimated that over 2000 people were fed. The feast was spread on the spacious lawn of Mrs. J. W. Gress, adjoining the lot on which the new church is now being built.

Immediately after the barbecue the members of Hurricane Masonic Lodge No. 571 with members from adjoining Lodges met in their hall above the Farmers & Merchants Bank with the following officers in charge: Dr. Arthur Mather, Grand Master; W. D. Cannon, Deputy Grand Master; T. T. Gess, Grand Senior Warden; A. J. Bebout, Grand Junior Warden; C. S. Nunn, Grand Secretary; J. W. Blue, Grand Treasurer; E. R. Williams, Grand Senior Deacon; E. J. Travis, Grand Junior Deacon; R. E. Wilborn, Grand Marshal; C. E. Mayes, Grand Steward; Lem Borenman, Grand Steward; M. V. Arnold, Grand Architect; C. W. Love, Grand Tyler.

The procession was then formed and the company marched to the site of the new church. After the ceremonies of laying the cornerstone Dr. Mather made an inspiring and eloquent address. A copper receptacle containing the following articles was placed beneath the stone: Bible, Discipline, Nashville Christian Advocate, Central Methodist, Membership roll, names of Bishop Denny, Rev. T. L. Hulse, Rev. O. M. Capshaw, Dr. A. Mather, those of the Building Committee and a copy of the deed.

The new church will be one of the most magnificent for the size of the town in the state. It is to cost \$22,000 and will be most modern and best built. Work has already been started and it will be rushed to an early completion.

Everyone present had the best time that could be possible. There was an abundance of eats; entertainment for everyone, good speeches, good music and a shady lawn to rest on. In spite of the great heat the immense crowd had an enjoyable time. There were people in Tolu from all parts of Crittenden, Caldwell, Lyon, Livingston counties and a great number from southern Illinois.

MARRIED IN NEW ORLEANS

A telegram received by Mr. and Mrs. Marshall Jenkins Monday July 4th announced the marriage of their daughter, Madeline on that date in the city of New Orleans to A. D. Ferrell. Mr. Ferrell is a prominent business man of Buffalo, Ky., engaged in the hardware and banking business with his father and brother at that place.

Mrs. Babb went west with her sister, Miss Linda Jenkins several weeks ago and was with her at a health resort near El Paso Texas until she was well enough to be left alone. By prearrangement she and Mr. Ferrell met at the St. Charles Hotel in New Orleans and were married there.

Rev. G. P. Dillon is in Hodgenville holding a meeting.

CANDIDATE FOR STATE SENATOR

Mr. H. C. McCandless of Livingston county, who is a candidate for State Senator, subject to the action of the Democratic Primary, was in Marion one day last week. Mr. McCandless states that he will endeavor, if elected, to serve to the best interests of the farm and labor factions.

He stands for:

1—For the building and handling under the Agricultural Department of all packing houses, grain elevators, storehouses and stock safe yards.

2—For a logical plan to be worked out whereby the laboring and working man may be enabled to own his own home, including small farms.

3—For such an adjustment of the salaries, and touching Circuit Court Judges especially, that the income and salary fixed by law shall be commensurate and proportionate in keeping with the actual time they are employed in the discharge of their official duties for the reason that we find that many Circuit Court Judges are doing less than 100 days work throughout the year. The Circuit Court Judges of this district now receive the sum of \$4200 each year and it appears that in this time when we hear so much of saving the state from expense that a great portion of needless expense can be saved here.

4—For the free and untrammelled action of the people in their right to declare whom they wish to represent them, and a breaking away from the policy of closed door politics in which no majority of the people are consulted. (Advertisement)

FAMILY RE-UNION

On Sunday, July 3, at the home of Mr. and Mrs. Henry S. Wheeler there was a re-union of the Wheeler family given in honor of Mr. and Mrs. Henry R. Cole of Mannsville, Oklahoma.

There was a sumptuous dinner, picnic style, served consisting of fried chicken, cold boiled ham, pickles, bread, cakes and pies.

Every one present declared it to be one of the most enjoyable occasions ever attended by them.

Those present: Mr. and Mrs. Henry Wheeler; Mr. and Mrs. J. H. Agee; Mr. and Mrs. Henry Cole and daughter, Suzanne, of Mannsville Oklahoma; Mr. and Mrs. John Gass; Mr. and Mrs. P. P. Paris and daughter, Nina May; Mr. and Mrs. R. M. Wilborn and daughter, Miss Leatha; Mr. and Mrs. Luther Gass and son, Glenn; Mr. and Mrs. Walter Wheeler and son, Edward Bruce; Mr. and Mrs. Robert Agee; Mr. and Mrs. Alvin Allen; Mrs. Nona Lamb and daughters, Mabel and Christine; Mrs. W. A. Agee and daughters, Lillie, Daisy, Lela and Meribel and son William; Miss Junita Wilborn of Mannsville, Okla.; Mrs. George Cruce, Mr. Frank Wheeler; Mr. and Mrs. Kirby Paris and daughter, Pauline; Mr. and Mrs. Jas. A. Wilson and Mr. and Mrs. C. A. Walker.

SECURED REDUCTION IN CRITTENDEN ASSESSMENT

The below is clipped from the State Journal of April 1917:

"The State Board of Equalization having raised the tax valuation of Crittenden 10 percent, Representative Edward D. Stone, Senator Porter and Oscar Wicker, with Crittenden's delegation; County Judge Asher County Clerk L. E. Guess, County Assessor Clarence Thompson and W. R. Cruce, appeared before the board and succeeded in having the raise on farm lands reduced to five percent and town property to two percent."

THE DAILY SENTINEL

Walter Walker, who formerly was connected with the Press and is now located in Grand Junction Colo., is now manager and editor of the Daily Sentinel of that city. Mr. Walker recently issued an extra edition of his paper and was kind enough to send the Press a copy. This edition contains eight sections making 48 pages and is filled with news and interesting reading as well as advertising. It is in keeping with Mr. Walker's standard of news paper and he knows how to run one as he was with his father here for a number of years. His father began the publication of The Crittenden Press back in the early seventies. Success to you Walter.

GEORGE E. SMITH FALLS TO DEATH

Painter Who Formerly Worked In Marion Killed in Providence

George E. Smith, painter who had worked in Marion for several months, and who had left only a short time ago, met a horrible death while painting an overhead cornice on the Gallaher Tobacco Factory in Providence Saturday morning.

Mr. Smith was working on a 55 ft. scaffold and it is supposed that he made a careless move that caused the scaffold to tilt and hurl him to his death. He fell feet foremost and landed on both feet with his brush and paint bucket still in his hands.

He was regarded as an excellent workman and with his partner, Miller, had completed several contracts in Marion. He is survived by his widow and two step-daughters. Mr. Smith was 52 years old.

BIRTHDAY DINNER

On Sunday, June 19, Mr. Herbert Cruce was given a surprise Birthday Dinner at his home in Sullivan. A nice dinner was served by a host of friends and relatives.

Those present were: his parents, Mr. and Mrs. G. W. Cruce, of Crayne; Mr. and Mrs. Alvie Allen; Mr. and Mrs. W. H. Holloman, Mr. and Mrs. Albert Joyce; Mr. J. Martin, Mrs. Mary Rushing, Mr. Hughes Misses Ella Mae Oliver, Marie Holoman, Virgie Joyce, Nina Rushing, Fannie Burklow, Rowena Holoman; Messrs. Marshall Rushing, Chester Joyce, Walter Martin, Harley Heyington, Henry Holloman and Boyd Cruce and Delmer Martin.

The young folks had a delightful time in the afternoon with their games and all present reported a very pleasant time.

MEETING AT SECOND BAPTIST CHURCH

The meeting at the Second Baptist Church opened Monday evening and continues with growing interest. Rev. O. M. Shultz is delivering splendid discourses and Rev. R. H. Gass has charge of the singing.

NEWS IN BRIEF

Tony Gradison died in the prison hospital at Moundville W. Va., on Wednesday after having been on a hunger strike since June 20.

The bodies of the first three American soldiers that fell in the World War will be sent to their native cities after a military funeral on the dock at Hoboken.

Twelve persons were made seriously ill on a picnic near Burlington, Ky. July 4th.

A storm of almost cyclonic force visited Owensboro Tuesday afternoon doing severe damage.

Wool growers of Pendleton county sold their pooled wool at \$23.15 per hundred pounds.

The Morganfield Coal and Mining Co. has sold its property to McGinnis Brothers of Pennsylvania. The new company will operate under the name of The Morganfield Coal & Coke Company.

An oil well drilled in Simpson county blew itself last week and is throwing oil 200 feet from the rig thru a two inch pipe.

Gov. Morrow has offered a reward of \$500 for the arrest and conviction of the unknown assassin of Ernest Lawrence and Otis Drew and their families at Mayfield on June 25.

Appointment of former President William Howard Taft as Chief Justice of the United States has been formally announced at the White House.

President Harding has signed the Army Appropriation Bill with its provision for a reduction of the regular Army to 150,000 men by next October 1.

William Jennings Bryan is to lecture in Providence July 15 from the platform of the White and Myers Chautauqua.

DRILLING OPERATIONS AGAIN RESUMED

After only a short time of inactivity drilling has been resumed on the farm of Dr. O. C. Cook near town. A larger drill has been secured and preparations have been made for going to a depth of 1000 feet if oil is not found before. The new drill arrived in Marion Friday afternoon and was unloaded and taken to the field Saturday.

Indications are better now than ever before that oil will be struck and striking seems to be only a matter of going deep enough. The promoters are now prepared to do this and if oil is under Crittenden county hills they are determined to reach it. The new drilling outfit is under the direction of the same capable manager that was here with the other drill, Mr. John Butt.

SEVENTY

On Saturday July 2 Gus Summer-ville was seventy years of age. He had let it be known that on his seventieth birthday he would give a barbecue dinner and when dinner was announced on that day there were 85 of his good neighbors present, and all with splendid appetites.

There were present besides his sister, Mrs. Tatum of Franklin and her daughter, Mrs. Butts and Dr. John Smart and wife and son, Dean. By the way Mrs. Tatum was seventy seven on the third day of this month.

After a hearty dinner, the people sat around and enjoyed social conversation which was interspersed with two very appropriate readings by Miss Roberta Moore.

There were several interesting and friendly talks by members of the crowd, men and women, and several good songs, and after all wishing Mr. Summer-ville many happy returns of this pleasant birthday, all returned home happier from having been there.

SCHOOL NEWS

Crittenden County Institute week opened Tuesday July 6th. This is the last week of the Summer Normal School. All the teachers of the county are enrolled in school this week. Nearly half of the teachers attended school the first four weeks of this Summer Normal.

Institute week was opened with a talk on the value of the Bible in the schools by Supt. J. L. F. Paris.

The following officers were elected: Raymond Small, President; Dorothy Dean, Vice President; Stella Dean, Secretary; ANNA Stenbridge, Assistant Secretary.

Prof. R. E. Jagers, Superintendent of Marion Schools, and Prof. W. H. Arnold, Superintendent of Clay Schools, are instructors of this Institute. Mr. Jagers and Mr. Arnold have conducted the Normal School for the past four weeks.

Among the visitors at the Institute are Rev. W. F. Hogard and Dr. Frazer. Both of them gave us instructive and encouraging talks.

TAKES POISON BY MISTAKE

K. E. Cannon, through a mistake took carbolic acid on last Thursday morning. Mr. Cannon was preparing to take some medicine and thru mistake got the carbolic acid. He took a small amount of the poison and for a time he was in a critical condition. Dr. Frazer was called and due to the quick assistance given him, Mr. Cannon's life was saved. He has now fully recovered.

THANKS

Mr. and Mrs. A. H. Reed were in the Press office Wednesday evening to see our Linotype work. While here our machine broke and Mr. Reed was kind enough to mend the broken part. If he had not fixed the part we would have had to send to Chicago for repairs and would have been delayed with the paper this week. We are indeed grateful for his assistance.

Mr. R. F. Deboe and daughter, Miss Dorothy, went to Marion Sunday to visit their mother and grandmother, Mrs. Susan Deboe. Miss Deboe remained in Marion for an extended visit.—Uniontown Telegram.

E. L. Harpending went to Hopkinsville Tuesday on business.

PICNIC

Cumberland Presbyterian Sunday School Enjoys Outing Tuesday

On Tuesday evening Bob Elkins' big truck, together with several automobiles got busy and gathered up the Cumberland Presbyterians of the town and took them to Uncle Iva Hughes' Spring near Harrison tressel for a picnic given under the auspices of the Marion Cumberland Presbyterian Sunday School. They began gathering on the ground about five P. M. and kept coming until near seven and it seemed that every body brought a paper sack or some other form of package with something good to eat in it.

The little folks and Walter McConnell kicked all the mud out of the swimming hole, the big girls put in much time horseback (muleback) riding. W. Lamb and "Ye Scribe" erected a horizontal bar and passed an ordinance that everybody had to chin the pole before he got his supper. D. J. Travis, Uncle Dan, was the champion. He chinned the pole fourteen times. It was good as any picture show to watch Jeff Asher's face while he was making it over twice.

In due time and just at the right time of day the good women called us to supper and such a supper! There is not space to enumerate the variety of good eats but suffice to say that there was something plenty to satisfy any appetite or taste. After the repast the young people assembled and made the woods ring with such songs "Old Kentucky Home" "Star Spangled Banner" and other songs. I never saw a more enjoyable occasion.

The ages of the children ranged from six months to seventy nine years. Uncle Eli Nunn, seventy-nine, being the oldest. I am sure that it can safely be said that every one there really enjoyed the whole affair.

A Sunday School Picnic. Did it do any good? Was there any religion in it? Yes. The favorable communicative side of the human life is sociality. If we win the world for Christ the world must know there is joy, peace and happiness in the christian religion.

While I am not a member of this Sunday School just now I am exceedingly glad I was privileged to come back as a visitor and be in this picnic. It appears to me that the C. P. S. S. has doubled in interest and attendance in the past year. As I saw it.

MRS. DAVID WOODS DIES

Mrs. David Woods, widow of the late Mr. David Woods, died at her home on East Carlyle Street in this city June 30.

Mrs. Woods was born August 16, 1840 and was the daughter of the Rev. G. K. Perkins, a well known Presbyterian minister.

Funeral services were conducted by Rev. J. F. Price at the residence at five o'clock July 1, after which the remains were laid away in Maple View Cemetery.

CANDIDATES TO DRAW FOR POSITION ON BALLOT TUESDAY JULY 12, 1921 AT 2:00 O'CLOCK P. M. STANDARD TIME AT CLERK'S OFFICE

Under Section 1550 Kentucky Statutes, the order in which the names of candidates for each office for whom nomination papers have been filed in the office of the County Clerk, shall be printed on the primary election ballot shall be determined at a public drawing in the office of the County Clerk twenty-five days before such primary election at 2 o'clock P. M., standard time.

I therefore earnestly request that all candidates who have filed nomination papers with me, meet in the County Clerk's office at Marion Kentucky next TUESDAY JULY 12, 1921 at 2 o'clock P. M. standard time and draw for your position on the primary election ballot.

Respectfully,
L. E. GUESS County Clerk.

Misses Leo and Jeannette Adams of Cleaton Ky., who have been visiting Miss Sara Dean, returned home Sunday. They were accompanied to Princeton by Misses Stella, Lucy and Sara Dean.

Farm Bureau Notes

Tuberculin Testing

There have been a great many questions asked relative to the agreements that were mailed out recently. The agreement must be signed if you wish to have your herd tested under the government plan. A recent letter from W. H. Simmons states that they have over 500 applications on their waiting list and as we are endeavoring to eradicate tuberculosis he says they must attend first to the people who have signed the agreement.

The state funds are limited for tuberculosis eradication work and it would take a large number of men to go over the state and test all the animals with no follow up plan. We earnestly hope a large number will sign up for this accredited herd testing. The sooner the agreements are signed the sooner we get a man in Crittenden county.

Sowing Sweet Clover Seed

The price of sweet clover seed is usually high. If you have a thin stand and wish to seed more ground next spring save your seed this year. The time for cutting generally recommended is when about 3-4 of the pods have turned black. In order to prevent, as much as possible, the shattering of the seed cutting should be done when the plants are damp. The seed should be cured in medium sized cocks. Cutting may be done with a mowing machine, scythe or corn knife if the area is not large. After the seed is well cured it is a very simple matter to thresh out the seed with a flail or stick. This may be done on a tarpaulin spread on the ground at the shock or on a wagon or sled driven from shock to shock. The seed should then be spread out to dry until all danger of heating has passed. The straw should be spread back on the ground for it and the leaves have practically the same value for soil improvement as whole crops. The County Agent has a number of bulletins on Sweet clover that may be had for the asking.

Co-operative Cream Shipping

Dairy men to the number of 35 assembled at the Court House Saturday afternoon to hear the report of the Pembroke Dairymen Association. The two members of the committee found Pembroke a very successful organization for the marketing of cream. The producers are getting above market quotations for their cream. They have expanded there so as to have the out put of three different communities thus enabling them to do business on a much larger scale.

Due to haying and threshing a great many farmers were unable to attend the meeting so it was decided to postpone action until July 14. At that time there will be a meeting for the purpose of organizing and laying plans for co-operative cream shipping. The committee urgently requests every dairyman to come to this next meeting which will be at two o'clock on July 14 at the Court House.

Plans are being made by County Agent Spencer in cooperation with the Extension Division of the College of Agriculture for a series of poultry culling demonstrations which will be held within the next six weeks on different farms in the county for the purpose of showing farmers and their wives how to tell the loafing hen from the heavy laying one. Mr. J. R. Smith, field agent in poultry spent Tuesday and Wednesday in Crittenden county to perfect plans for the culling demonstrations.

Charles A. Daughtry Jr., who has been visiting in Calvert City and Paducah returned home Wednesday.

EVERYBODY INVITED

To The Voters of Crittenden County

Dear Friend:

Having been engaged in my farm work up to the present time and realizing that the period between this date and the primary is somewhat limited, and that to an extent that I will not be able to meet with all the voters and talk to them in behalf of my candidacy for County Attorney, therefore I take this method in addressing you a letter.

Having served the people of this Legislative District during three sessions of the law making department of this State, and having secured my Diploma in January 1912 from the Cumberland University of Law and having been granted license to practice law in May 1913. I feel that it absolutely equips and qualifies me for the duties of the office of County Attorney.

Whilst a member of the General Assembly of this State I stood for lower tax, and for protection to the farmer and laborer, believing that the universal progress begins and ends with the soil.

If I am the County Attorney I shall attend all County and Fiscal Courts held in this county and conduct all such business in said Court touching the rights and interests of the county. I shall oppose the allowance of all appropriations, expenditure and claims that are unjust and absolutely unnecessary and shall urge the Fiscal Court to see that the people get full value for every dollar paid out by order of said Court.

I will diligently investigate and procure indictments against alleged violations of the law without fear, regardless of race or creed.

I most respectfully solicit the support of every voter, and promise, if elected, a cautious and efficient handling of the County Attorney affairs.

Yours for honest service,

EDWARD D. STONE

COL. ARMSTRONG'S COMMENT ON CEN- SUS REPORT OF KENTUCKY HORSES

The War Department is Inter-
ested in the Increase of
Pure-Bred Horses

"There is the utmost need in this country today of increasing the number of pure-bred horses, particularly those of the thoroughbred type, on which the War Department must depend for its cavalry mounts in case of national emergency."

The above is a passage from the statement by Col. Frank S. Armstrong, Chief of the U. S. Army Remount Service, relative to the 1920 census of Kentucky horses.

The uneasiness of practical, patriotic men like Colonel Armstrong over the situation was amply justified by the lesson of the last great war, which so strikingly demonstrated the value of the horse in connection with modern warfare and revealed what would have become a pitiful shortage, had the Germans held out only a very few weeks longer than they did.

Nor must we forget the importance of breeding better horses more extensively in times of peace. Better bred horses mean better work horses; better prices for them, and a readier market.

The 1920 census figures indicate that Kentucky, as usual, will lead her sister states as to both number and class of horses, but even we are far from approaching what should be our quota in either count.

Colonel Armstrong's statement is full as follows:

"Despite the very small amount of pure-bred stock, as compared with the total number of horses in the state, I believe that, when similar figures for the other states become available, a comparison of all will show that Kentucky still holds its rank as the foremost state in producing thoroughbreds."

"The relatively small percentage of thoroughbreds and of other classes of pure-bred stock included in the total number of horses in Kentucky, is a general, and not a local, situation, and the other states probably will show even smaller percentages. The same conditions, I am told, prevail with live stock other than horses, though probably not to the same extent as with the latter. The census report upholds and justifies the position taken by the American Remount Association that there is the utmost need in this country today of increasing the number of pure-bred horses, particularly those of the thoroughbred type, on which the War Department must depend for its cavalry mounts in case of national emergency, and which it met with great difficulty in procuring in sufficient numbers during the recent war. The national need of upbuilding and increasing American thoroughbred horses can not, in my opinion, be over emphasized."

I ought to know—
I grow tobacco

You can't beat a Camel, because you can't beat the tobacco that goes into Camels.

That's why Camels are the choice of men who know and love fine tobacco. They know what makes Camels so smooth, so fragrant and mellow-mild.

They'll tell you that the expert Camel blend of choice Turkish and Domestic tobaccos makes a cigarette smoke you can't equal—no matter what you pay.

But it doesn't take an expert to tell Camel quality. You'll spot it the very first puff. Try Camels yourself.
